Thanks for attending the ADA Mid America Championship at Southland Park!!

Each team or member must play at least one match against another team or member in their category to receive payout money as listed on the payout schedule grid. Events with only one team may not receive payout money. Those teams or members who cannot play in a match as described above, may choose to change dart types / formats provided they have enough eligible scores before that event starts. Changing type / format may be done at the Registration Desk / Control Center.

Bring any can goods for the area Food Bank & receive a raffle ticket for a chance to win a prize.

All Payouts will be given out at the conclusion of each event. When receiving your payout, Social Security numbers will be requested.
